In the event of such service discontinuance, the Mare Owner is obligated to substitute another Mare to fulfill the terms of this Agreement.

The Stallion Owner reserves the right to move the Stallion from one premise to another for a period of time necessary to train, show and/or promote the Stallion in the best interest of the Stallion Owner. During this time, Mare Owner understands that Mares that come into heat may not be bred during this particular heat cycle. Should the Stallion die, or become incapacitated after servicing of Mare and Mare does not produce a Live Foal pursuant to this Agreement, then Stallion Owner shall return the portion of the breeding fee paid by Mare Owner, less the booking fee and any outstanding miscellaneous fees. Should Stallion be exported prior to contractually agreed upon breeding season and Mare does not produce a Live Foal, then Stallion Owner shall return the breeding fee paid by the Mare Owner and this Agreement shall be nullified. Should the stallion be exported after the contractually agreed upon breeding season and the Mare does not produce a Live Foal, then Stallion Owner shall return the portion of the breeding fee paid by Mare Owner, less the booking fee and any outstanding miscellaneous fees.
